How Did You Learn About SPARK?

Please let us know to help us reach more potential members.

The SPARK Flossie Pack Center for Lifelong Learning

When longtime active SPARK member Flossie Pack celebrated her 93rd birthday in December 2020, her family gifted \$600,000 in her name to SPARK. Their generous bequest honored her love of SPARK and her passion for lifelong learning. These funds help us share with others the opportunity to continue learning and to meet like-minded members. In honor of the Pack family's gift, SPARK is now known as The SPARK Flossie Pack Center for Lifelong Learning.
